Apologies for those having difficulty with control 6 on the Green course – there are still a few map corrections needed for this new area. Also I read the new guidelines wrong and gave you a ‘short blue’ instead of a green - (nothing to do with using blue control cards!) - the course length was clearly stated at registration and on the control descriptions and it was good training for the forthcoming club championships. **LOST PROPERTY** - found one compass next to a control on the green course.
