

## Swansea Bay Orienteering Club

Night League no 2 – 24<sup>th</sup> November 2010

Clyne Valley Country Park

Thanks to everyone for attending and great to see new faces (in spite of the brambles). Night events are tough to start orienteering with so I hope it doesn't put the newcomers off. I hope you all enjoyed it and see you at the next night street event in December. It proved to be very close at the top so it may turn into an interesting night league.
