Congratulations to Chris Hiatt who scored 25 from possible 27

As a team you showed almost total skill in being aware of your bearings, just 5 errors from about 200 competitor/questions.

Mark accepted the challenge of the brave option and found the assault course!  
Others chickened out and took the wise ways.

Bonus mark to Lowri & Sue for knowing the difference between a lamb and a cow.

We hope David Doherty soon recovers from a nasty fall over an anti-speed hump.

Thanks to all who supported this event.
