Welcome also to all the newcomers who came along to try out the permanent course. It was lovely to see so many new faces, though I imagine the weather helped!

We hoped you enjoyed trying out orienteering and will come back next week at Dunvant Brickworks (see Fixtures page for details). Please ask if you have any questions or want some more detailed help with orienteering as there will be several experienced club members available to advise or provide coaching.

Many thanks to Sue Buckley and the two Chrises for help collecting the controls.
