Having injured my calf I wasn't able to put out or collect any controls so a big thank you to Roger and Bridget for practically running the event for me. Also like to thanks Chris, Ben who helped to collect controls.

One or two came close to being disqualified because it was hard to determine the punch holes so please make sure you firmly punch cards in future. Probably a dying art as we are so used to SI. Well not at my events.

We were lucky with the weather considering it poured down most of the week. Once again nobody on my orange course. Must be something I said.

Thanks to all for coming.
