When you're the mapper, planner and organiser for an event, it doesn't leave any room for passing the buck, so a blanket apology for any shortcomings you found (but the sun did come out).

Thanks to Auriel for registration and calming me down when the SI units shut down with half an hour to go. As it was the Club Championships I tried to make the courses a challenge. Perhaps with hindsight they were a bit too long.

Many thanks to the heroes who collected controls for me. Chris, Sue, Roger, Sarah and Phil, it was much appreciated.
