10. David Doherty	M55	19	47
11. Margaret Reynolds	W35	21-3=18	53

Thanks to all who supported this event and accepted the frustrations with good humour.

Ben clocked his distance as 8.14 km but he did run an extra 0.34km to check Q3.

A few runners never reached the school gates, again this year!

Apparently half the course was quite "technical"; I could accept the praise if I knew which half he meant!

John King
