Well what an end to a fabulous weekend of 'O' on the Gower. Our thanks to Dave Seward and Mark Saunders as planners for some tricky courses. The weather was very hot again so the heat did play it's part on some runners who forgot to punch a few controls. We hope you all enjoyed yourself. Sorry for the delay in the results but I had to calculate each leg and split manually, plus the printer suffered from the heat with adding 60min, 640mins and 700mins randomly to splits. Took me back to the days of working out finish times on stubs for the washing line :)

Thanks to Kris, Steve, Charlie, Niall, Margaret, Stephen and Roger for collecting in all the controls after the event.
