Thank you to everybody who took part in the event, I hope you enjoyed the courses and my appologies for the mis-placement of control 6 on the green course and for making you run so far on the last leg.

I wish Bethany's ankle a speedy recovery and that she is back running again soon.

A massive thank you to Sarah and Charlie Jenkins, Margaret Reynolds, Roger Stein and Peter Lake for collecting in controls and not forgetting my two little helpers for the whole day William and Freddie.
