I hope you all enjoyed the different format for this event. I thought the area very suitable to the score format and it made following less of a problem. Special congratulations to winners Ben M and Freddie. And many thanks to all the helpers: Mike for bringing the maps, Ben D, Chris, Stephen and Dave for control collecting, Roger for handling the Yellow Course, checking and publishing the results, and much other help with the event, and Suzi for company with the planning and for guarding the car keys.
