Thank you to everyone who came to the event, I hope that you enjoyed the courses, there were certainly some very close times. I have removed 202 from the results, technical error, so the splits now show the time taken from 206 -208 on long and 201 - 203, cumulative times remains the same. A major thank you to Margaret for brining all of the kit and helping to put out controls and start registration. Thank you to Sam, Dave, Mike, Allan and Tom for collecting controls and to Sasha for working out how to pop down the pop up tent. Not forgetting to mention Roger for printing the maps and correcting my purple pen errors and of course my two little helpers William and Freddie. Kerina - kerinalake@onetel.com
